Exhibit Category

New & Next Plastics EXPO

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● New material Engineering plastic / Super engineering plastic / Biodegradable plastic / Bioplastic ● Advancing material Additive / Compound / Modifier / Filler / Fiber ● Advanced product & parts Film / Sheet / Container / Bottle / Tube 	<ul style="list-style-type: none"> ● Injection Molding Machine, Extruder, Blow Molding Machine, Thermoforming Machine. ● Granulator, Shredder, Sorting/Separating Equipment, Volume Reduction Equipment. ● Material development Polymer alloy / Hybrid / Composite / Nanocomposite ● Material & product design Test / Inspection / Die & mold design / Simulation / Trial ● Molding High-cycle molding / Ultra-precision / Ultra Thin / Multi-material / Supercritical foaming ● Secondary manufacturing Surface finishing / Decoration / Printing ● Recycling and waste treatment

Materials for Lightweight & High-Strength Exhibition & Conference

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● FRP / FRTP ● CFRP / GFRP ● Aluminum / Magnesium / Titan ● Engineering plastic / Super engineering plastic / Foamed plastic ● High-strength low-alloy steel (HSLA) / Special steel ● Ceramics / Advanced ceramics / Lightweight glass ● Lightweight & high-strength products / parts 	<ul style="list-style-type: none"> ● Design Test / Inspection / Simulation / Trial ● Recycling

Coating Technologies Exhibition & Conference

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● Displays (LCD, OELD, touch panels, etc.) ● Energy devices (solar cells, fuel cells, LIB, batteries, etc.) ● Automotives & semiconductors ● Optical devices (lenses, lights, LED, optical fiber, etc.) ● Packages 	<ul style="list-style-type: none"> ● Dry coating ● Wet coating ● Surface finishing & modification ● Evaluation, inspection & examination ● Coating & other service

Thermal Management & EMC Measures EXPO

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● Heat resistance Engineering plastic & super engineering plastic / Elastomer, rubber & gel / ceramics & advanced ceramics / Special steel, alloy & superalloy / carbon / composites 	<ul style="list-style-type: none"> ● Heat resistance Heat resistant film, sheet, panel tape, belt, adhesive & paint / heat resistant fabric, glass, container & bottle ● Dissipation Heat dissipative sheet, tape, pad, grease, adhesive, paint, fin, pipe & fan / heat sink / heat pipe ● Evaluation, inspection, examination equipment & device

Nonwovens & Functional Papers & CNF EXPO

NonWovens	Functional Papers	CNF
<ul style="list-style-type: none"> ● NonWoven Fabric, Felt ● Raw Materials (Natural Fibers and Chemical Fibers), Materials, Nanofibers ● Adhesives, Process Aids, Functional Materials ● Processing Technology ● Inspection, Test, Analytical Equipment ● Production, Processing Machines and Equipment 	<ul style="list-style-type: none"> ● Functional Paper, Specialty Paper ● Pulp, Raw Materials, Materials ● Functional Fiber and Fiber Sheets, Composite Materials ● Chemicals ● Processing Technology ● Inspection, Test, Analytical Equipment ● Production, Processing Facilities and Equipment 	<ul style="list-style-type: none"> ● Material and sample manufacturers and organizations ● Manufacturing machinery, processing devices, analytical/inspection apparatuses ● Services for use development and commercialization ● CNC

Adhesion & Joining Technologies Exhibition & Conference

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● Adhesive and sticky material / Adhesive film, sheet, and tape ● Industrial fastener material, Rivet / Screw / Zipper / Velcro 	<ul style="list-style-type: none"> ● Joining machine and device Laser / Ultrasonic waves / Wax / Solder ● Adhesive and joining machine and device Surface finishing / Cleaning / Drying ● Evaluation, inspection & examination ● Detachment and recycling

Contract Manufacturing & Processing Service & OEM EXPO

<ul style="list-style-type: none"> ● Contract Machining Companies, Prototype Manufacture, Mold Maker Ultra-Precision Machining, Adhesive, Welding, Coating, Surface Treatment etc. ● Exhibition of Finished Parts / Technologies ● Highly efficient production companies (high-mix small-volume production, large-volume quick delivery, etc.)

High Performance Parts & Components EXPO

<ul style="list-style-type: none"> ● Electronic Components ● Machine Elements / Parts

Environment Friendly Materials EXPO

Material, Product & Parts	Technology & Machine for
<ul style="list-style-type: none"> ● Undersea biodegradable plastics ● Biodegradable plastics ● Biomass plastics ● Plastic-replacing 	<ul style="list-style-type: none"> ● Technology to combat plastic waste in the ocean ● Plastic utilization technology that contributes to SDGs (Sustainable Development Goals) ● Material recycling technology ● Chemicals and fuel oil recycling technology ● Heat and energy recovery technology ● Technology to promote 3R (reduce, reuse, and recycle) ● Container and packaging materials

Electrification Technologies EXPO

System, Component, Technology	Design, Development, Testing	Charging Infrastructure	Energy
<ul style="list-style-type: none"> ● Drive system ● Capacitor / Condenser ● Motor ● Battery ● Semiconductor ● Connector / Harness ● Component / Module etc. 	<ul style="list-style-type: none"> ● Design or Development Tool / Testing Tool ● Software / Simulator ● CAD / CAM / CAE ● Data Logger / Power Sensor ● Measuring Tool / Device / Equipment / Software / Service etc. 	<ul style="list-style-type: none"> ● Rapid Charger ● Normal Charger ● Wireless Charger ● In-Vehicle Charger ● Portable Charger etc. 	<ul style="list-style-type: none"> ● V2X / V2H · H2V / V2G / V2L ● VPP ● National Resilience / Battery Using of Disaster etc.

Flying Cars Technologies Exhibition & Conference

<ul style="list-style-type: none"> ● Materials and Parts Electric and Hybrid Systems, Batteries, Motors, Sensors, Airframe Parts, Electric Parts, Optical Parts, Materials (Resins, Metals, Ceramics, Glass, CFRP, CNF, etc.), Adhesives and Joining etc. ● Technical Proposals Autopilot, Attitude Control, Mapping and Positioning Technology, Molding and Processing Technology, Weight Reduction, Power Reduction, Noise Reduction Noise Measures, Downwash Measures, Safety Measures (Cybersecurity, Crash Prevention) etc. ● Operation and Operation-Related Operation Management and Navigation, Takeoff and Landing Infrastructure, Weather Forecasting, Insurance etc. ● Real Machines ● Equipment, Machines and Software ● Service and Others

SATEX Satellite Positioning & Location Service EXPO

Device	Service
<ul style="list-style-type: none"> ● Antenna ● Connector / Cable ● Simulator ● LiDAR / 3D-LiDAR etc. 	<ul style="list-style-type: none"> ● Transceiver / Receiver ● GNSS Recorder ● Testing Machine / Measuring Instrument
	<ul style="list-style-type: none"> ● GNSS/QZSS/GPS/GLONASS/BeiDou/Galileo/NAVIC ● RTK/MADDOCA/SLAS/CLAS ● Indoor & Outdoor Seamless Positioning ● Indoor Positioning etc.

Target Visitors

Automotive

- Next generation vehicle HV/PHV/EV/FCV
- Next generation battery
- Parts

Aerospace and Railroad

- Airframe / Vehicle
- Parts
- Peripherals

Energy and Electronics

- Display
- Smart device
- Organic electroluminescence (OEL) / LED

Packing

- Container / Tray
- Bottle
- Wrap / Packages

Medical and Health

- Lens
- Artificial internal organ apparatus and assist device
- Medicine / Cosmetics

Construction

- Structure & building material / Parts
- Housing equipment & system
- Construction material

Booth Type & Fee

① Standard Booth

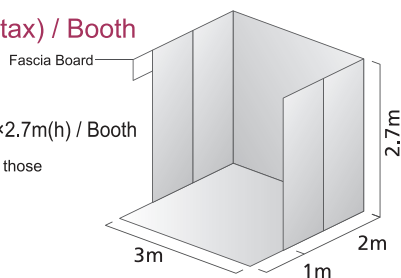

● JPY 374,000 (incl. tax) / Booth

Including:

- Exhibit Space:

est. 9 sqms, 3m(w)×3m(d)×2.7m(h) / Booth

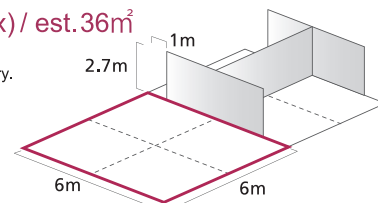

* No side panel will be provided for those without an adjoining booth.

② Peninsula Booth

● JPY 1,320,000 (incl. tax) / est. 36m²

* Inquire N-PLUS Management Office for contractor's information if necessary.

③ Real Machine Area

● JPY 165,000 (incl. tax) / Machine (Automobile)

Corner Reservation

● JPY 110,000 (incl. tax) / Exhibitor

* Fee is the same regardless of the number of booths applied.
 * A corner booth is provided for four or more booth space in principle without this reservation fee.
 * Applications may be closed earlier in some situations.
 * Without corner booth reservation, location will be allotted based on the booth size and date of application.

About Application

1) How to Apply

Please fill out the application form and submit to:

N-PLUS Management Office
 Within ATEX Co., Ltd. 4F. Daido Seimei Kasumigaseki Bldg.,
 1-4-2 Kasumigaseki, Chiyoda-ku, Tokyo 100-0013, Japan
 E-mail : office@n-plus.biz

2) Application Deadline

Sep. 30, Thu., 2021

3) Withhold or Rejection of Application

The application will be withheld or rejected by the management office in case it deems the planned exhibit(s) is not suitable for the exhibition.

Exhibit Guideline

Booth

1) Side and back panels to partition booths from one to another will be setup by the management office.

*No panel will be provided for island booths

*No side panel will be provided for those without an adjoining booth (e.g. corner booths)

2) Booth Allotment

The management office reserves the right to decide booth allocation taking the following into consideration: the type and scale of exhibits, demonstration plans and application date, etc.

Exhibit Space Fee

1) Exhibit Space Fee Includes:

- Booth space
- Equipment included in each plan.
- Invitation tickets (the quantity of tickets are limited based on the booth space)
- Operation and promotion expenses including official website and floor map

2) Exhibit space fee does NOT include:

- Additional booth decoration and operation expenses
- Installation and usage fees of electricity, plumbing, gas, etc. additionally ordered by the exhibitor.
- Damage insurance for the exhibits, etc.
- Expenses for injuries arising during exhibition or while transporting equipments, etc.
- Renovating exhibits and decorations, etc. required by regulations and exhibition rules.
- Other expenses not included in 1).

3) Payment

The management office will issue an invoice after confirming the application form.

Payment Deadline: Oct. 29, Fri., 2021

Bank Account Information

- ◆ A / C Name: N-PLUS Management Office ◆ A/C Number: 2928661
- ◆ Name of Bank: MIZUHO BANK, LTD.
- ◆ Name of Branch: SHINBASHI BRANCH
- ◆ SWIFT Code: MHCBJPJT

*Bank Charge is to be paid by the applicant additionally (Chargeable JPY 10,000 for each bank remittance.)

4) Cancellation

Once an application is accepted, no cancellation or reduction of booth space is allowed in principle. If the management office deems it legitimate, however, the application may be withdrawn with the following charge:

Date of Cancellation (in writing)	Cancellation Fee
Before Oct. 29, 2021	50% of total exhibit space fee (incl. tax)
On and After Oct. 30, 2021	100% of total exhibit space fee (incl. tax)

Schedule

September 30, 2021
Application Deadline

November
Distribution of exhibitor manual
& Release of floor plan

January 31 & February 1, 2022
Move-in & Setup

February 2 - 4
Exhibition opens

[Handling the Personal Data]

As a Management Office, we will carefully handle the lodged personal data. You can always ask us to delete your registration information.

[GENERAL REGULATIONS]

1. Application Approval

Application period is by Sep. 30 (Thu.), 2021.

(Acceptance of applications is going to be closed once all exhibition spaces are occupied, even if before Sep 30.)

The Management Office reserves the right to decline applications if the exhibit of the Applicant is considered unsuitable to the purpose of the exhibition.

The Management Office is not going to be liable for any damages caused by this.

2. Payment of Exhibit Space Fee

An invoice of the exhibit space fee is going to be sent to the Applicant after obtaining approval of the Management Office. The total fee have to be paid by Japanese Yen only. No check is accepted.

Please pay the total fee by Oct 29 (Fri.), 2021.

You are required to make a bank transfer to the bank account specified on the invoice. Please note that bank-handling charges are the liability of the Applicant. And please note that international transfer fee (JPY 10,000) is going to be charged when you are paying.

In the event that the exhibit space fee is not received by the above date, the Management Office may cancel the approval of the application.

3. Cancellation

In case of cancellation, the Applicant shall submit a written notice to the Management Office. The following cancellation fee is charged. In the event that the Applicant have not yet remitted the proper amount as noted above, the Applicant must remit it immediately. If the applicants have already remitted more than the amount noted above, the excess amount is going to be refunded by the Management Office.

(bank-handling charges are the liability of the Applicant.)

Deadline of Cancellation (in writing)	Cancellation Fee
On / Before Oct. 29, Fri., 2021	50% of Total Exhibit Space Fee included tax.
On / After Oct. 30, Sat., 2021	100% of Total Exhibit Space Fee included tax.

4. Cancellation by the Organizer

(1)The Management Office will be able to cancel the exhibit without any admonition when the Applicant is determined as a crime syndicate, a member or an affiliate of a crime syndicate, a corporate extortionist, a social activist, etc. (collectively referred to as "antisocial forces").

(2)In such case as (1), the Management Office is allowed to demand compensation of damages caused by this to the corresponding the Applicant. Any paid exhibit space fee is not going to be refunded.

(3)In such case as (1), the Management Office is not going to be responsible for any payment or liable for any damage to the Applicant.

5. Booth Allotment

The Management Office reserves the right to decide booth allocation and reallocation, taking the following into consideration.

the overall zoning plan, the type and scale of exhibits, demonstration plans and application date, exhibition effect as a whole, etc.

The Applicant cannot claim any damage caused by booth allotment or reallocation.

6. Prohibition of Reselling and Renting Booth

The Applicant cannot rent, resell and exchange or sell the booth allotted for the Applicant, without obtaining permission from the Management Office.

7. Sharing a Booth by Two or More Exhibitors

If two or more companies share a booth, one representative of them shall apply and inform to the Management Office the names of other companies as co-exhibitors.

8. Installation and Removal of Exhibition Materials

(1)Transportation and installation of exhibiting materials have to be carried out during the period designated by the Management Office. The facilities within the booth have to be installed before 4 p.m.on the last day of installation period. The Management Office reserves the right to dispose of the booth in whatever manner the Management Office thinks appropriately, if the applicant fails to install their exhibiting materials by the designated time and date. If this happened, the Applicant must pay the designated cancellation charge (100% of the exhibit space fee) to the Management Office.

(2)If the Applicant must move, remove, or transport the exhibiting materials during the period of the exhibition, the Applicant must obtain permission of the Management Office in advance.

(3)Any materials have to be removed from booths by the stated time and date. The materials left within the booths after this time and date is going to be removed by the Management Office by the Applicant's expense.

9. Use of the Venue

(1)The Applicant should exhibit the products which fulfill the purposes of this exhibition and which are specified on the application form.

(2)All demonstrations or any other advertising and sales activities shall be restricted to areas inside of each booth. The Applicant shall be responsible for ensuring that the aisles near the booth not to be excessively crowded because of its demonstrations or any other advertising and sales activities.

(3)The Applicant shall give sufficient consideration to making sure that the decorations and designs of its booth not to block the next to booths of other companies. If a complaint is lodged from next to exhibitor, the Management Office shall determine the need of changing the decorations or designs from the standpoint of running and managing the exhibition. If changes are judged to be necessary, the booth exhibitor we mentioned must agree with such changes.

(4)The Management Office shall have the right to restrict or remove displayed items that are deemed problematic or unsuitable to the exhibition because of the noise, the operation procedures, materials, or any other reasons.

This authority shall cover people, actions, printed matter and any other matters which the Management Office regard as being problematic.

(5)As the aforementioned clauses, if there is a need for restrictions or removal, the Management Office shall not be responsible for any expenses or damages.

10. Exhibits

(1)The Applicant should exhibit the products which fulfill the purposes of this exhibition.

(2)Exhibits prohibited by Japanese laws are not to be permitted to display in this exhibition. The Management Office does not take any responsibility regarding the troubles made by violation.

11. Custody and Protection of Exhibits

The Management Office is going to take security measures such as assigning security guards for custody and protection of exhibits at the site; however, will not be liable for damages or compensation for fire, theft, loss, damage or any other accident.

12. Damage Compensation

The Applicant shall be responsible for any or all damages caused by the carelessness of itself or its agents to exhibition, facilities, materials, building, or people.

13. Alternation and Cancellation of Exhibition

In the event the Exhibition is canceled or postponed indefinitely for reasons of Force Majeure, including but not limited to, a natural disaster, pandemic, an order or request of the competent government, administrative or other public authorities, and loss of adequate access to the premises and buildings of the Exhibition venue, then the Management Office will return any exhibit space fee already received in accordance with the following rules. However, the Management Office shall be held liable for any expenses that may have incurred to the Applicant in relation to the exhibit.

Date of Cancellation/Postponement	Amount Returned to the Applicant
Application date ~ Oct. 29, Fri., 2021	100% of Total Exhibit Space Fee included tax.
Oct. 30, Sat., 2021 ~ Nov. 30, Tue., 2021	70% of Total Exhibit Space Fee included tax.
Dec. 1, Wed., 2021 ~ Jan. 28, Fri., 2022	50% of Total Exhibit Space Fee included tax.
Jan. 29, Sat., 2022 ~ Feb. 4, Fri., 2022	0%

14. Regarding Invitation Letters

The Management Office will not issue the Invitation letters for applying VISA even if any Applicant ask the Management Office to issue them.

15. Observance of Regulations

The Applicant need to agree with the provisions stated on this "General Regulations", "Exhibitor Manual" or any other regulations established separately by the Management Office.

If the Applicant breaches any of these provisions, the Management Office may cancel the Exhibition Contract regardless of the reason and shall not be liable for any resultant damage.
